DLD Approval Criteria 12: Administrative monitoring of student records to ensure students are progressing through their courses at an acceptable rate, and to identify any problems and intervene when necessary.

Screenshot of the online tracking form used to monitor students' WEEKLY progress.

Low or non-performing students are marked by the instructor (see "Must See" column) and a program administrator intervenes by contacting (1) the student's counselor, (2) school Success Coordinator, (3) parents, (4) building OnlineHS contact person requesting the student attends the weekly on-site visit by OnlineHS teachers.
