

**DLD Approval Criteria G 1:** Ease in navigation of the courseware platform, supporting systems, and within each course.

**Screen shot #1: from inside Demo Course (SCI201)**

Navigation links within the course and supporting systems are organized into key categories in a logical order allowing students to efficiently get from one place in the course to another.

**Simplified Main Menu in left margin organized in 3-sections:**  
Top: LMS Areas/Tools  
Middle: Course Content  
Bottom: Support

**Learning Units organized in folders.**  
One click to access all content in a Unit  
Every effort is made to keep ALL content within 2 levels (clicks) so materials are not lost or unable to be found

**Screen shot #2: from OnlineHS home page (http://www.OnlineHS.net)**

**Programmatic Information available from horizontal menu bar**

**Student LMS log-in button is above the fold & conveniently located.**
