### Registration and Enrollment - 3 Types

There are three options for students registering for OnlineHS. Find a description of each below.

As part of an Everett School District student's 6-period day, students can take one to five online classes AS PART OF their regular school schedule- for FREE!

These students would be on-campus for their high school classes and home for their online classes.

Students can sign-up for OnlineHS classes during their school day anytime within the first two-weeks

of the semester.

To sign-up for classes during the student's six-period day, students need to contact their school counselor.

Students can retrieve credit or get ahead and earn credits faster by taking OnlineHS courses IN- ADDITION to their 6-Period School Day.

Student/families register themselves directly online and use the automated, online payment system (\$200) for each 0.5 credit course. Students outside the Everett School District pay \$300 per 0.5 credit course.

After successfully registering, Our OnlineHS Registrar will email you with

As part of their 6-period school day students can enroll any time within the first 2 weeks of the school term

information on accessing your course.

Registration occurs during the first month (30 days) at the start of each semester term, and runs concurrently with, and finishes at the end of the [Everett School District Semester](#) schedule.

Registration is closed for Spring Term 2012

In addition to the student's 6-period day, a student can register and start anytime within the first month of the semester.

Students can become a full-time OnlineHS student by registering at Sequoia High School, completing a registration packet and attending a family interview to review an individual learning plan. Students outside Everett School District are required to have a variance.

Students must have successfully passed an online class previously to be a full-time student. New Alternative Learning Laws require students to be

on-site one hour per week.

We typically register full-time students only up through the first 40 days of the district's semester, and enrollment is contingent on a meeting with the OnlineHS counseling staff .

For those interested in becoming an OnlineHS full-time student, use this web site's [Contact form](#) to contact our OnlineHS Registrar for information, an enrollment packet and to schedule an appointment.
